

WE NEED YOU...

To help raise valuable funds for The Fusilier Museum

Our aim is to tell the fascinating stories of the Lancashire Fusiliers and the Royal Regiment of Fusiliers, as well as those soldiers who continue to serve today. As a registered charity, the majority of our funding currently comes from admissions, the MOD, national funding bodies such as Arts Council England and Heritage Lottery Fund, and from general museum fundraising events.

However, to continue to grow and expand we need the help of local businesses. There are many ways in which you can get involved.

Our new Corporate Membership scheme offers the opportunity to start a relationship with the museum. Your support will enable us to:

- Maintain and refresh our existing exhibitions in The Lancashire Fusilier and The Royal Regiment of Fusilier galleries
- Develop new and exciting temporary exhibitions, ensuring that we are able to include as many stories as possible. Gallipoli 100, our next temporary

exhibition, aims to bring all 6 Fusilier Victoria Crosses and the stories behind them, together for the first time ever

- Operate The Fusilier Archive – We service in excess of 500 family history enquiries every year. Each enquiry is different and has its own requirements in terms of resources and time spent processing it. A small charge is made for this service and the museum subsidises the remainder
- Welcome over 5,000 school visits per year at the museum through a wide range of visits and educational workshops. Again, a small charge is made to each school but the museum subsidises these at £195 per session

In return, we are able to offer a package of features and benefits which are detailed overleaf.
